

# Organisational Culture of Child Safety Statement

St Paul's Primary School maintains a 'culture of child safety' through effective leadership arrangements. Protecting children from abuse is everybody's responsibility, and St Paul's Primary School Leadership Team takes the main role in embedding a child safety culture across all aspects of the School Community.

All members of staff, clergy, casual relief teachers (CRTs), volunteers & contractors have a responsibility to act to protect students & young people from abuse and to build an environment where children feel respected, valued and encouraged to reach their full potential. The school maintains a 'culture of child safety' through proactive leadership which demonstrates, and insists of others, appropriate values, attitudes and behaviours to ensure the safety of all who attend the school. St Paul's Primary School fosters a culture of openness, inclusiveness and awareness, where children and adults know how to respond if they suspect or are subject to abuse or inappropriate behaviour.

All staff members, clergy, CRTs, volunteers & contract service providers must also acknowledge the importance of cultural safety for Indigenous children and those from culturally and linguistically diverse backgrounds, including that of children with a disability.

**Maintaining & Communicating the School’s Commitment to Child Safety Standards**

St Paul’s Primary School maintains a Child Safety Policy outlining key elements of its approach to creating and sustaining a Child Safe environment. The Policy has been developed by the Leadership Team in consultation with staff members and affirms the school’s commitment to a ‘zero tolerance’ towards child abuse and its commitment to upholding the best interest of children. The Policy also demonstrates a commitment to keeping students and young people safe and how it actively works to listen to and empower students at St Paul’s Primary School.

The school’s Child Safety Policy is made publicly available to all members of the community via the School’s website. This policy and the accompanying Child Safety Code of Conduct are communicated to staff members, clergy, CRTs, volunteers & contractors prior to commencing work.

St Paul’s Primary School reviews this policy every three years or more frequently as required when there has been a change to the work environment or work arrangements that may impact on the protection of children.

**Maintaining & Communicating the School’s Code of Conduct to Ensure Child Safety**

St Paul’s Primary School maintains a Code of Conduct for all staff members, clergy, volunteers, CRTs and contractors that clearly defines workplace expectations including professional boundaries, ethical behaviours, as well as acceptable & unacceptable relationships.

St Paul’s Primary School believes that by defining the expectation for all staff members, CRTs, clergy, volunteers and contractors relating to ‘Child Connected Work’ they are more likely to act appropriately. The Code of Conduct enables the school to take immediate action when an individual acts in an unacceptable manner, which may result in disciplinary action including dismissal. This process is supported by the school’s complaints procedure.

The school’s Child Safety Code of Conduct is made publicly available to all members of the community via the School’s website. The Code of Conduct is communicated to new staff members clergy, CRTs, volunteers & contractors prior to commencing work and at least annually and they are also embedded into core documents such as the Employee Handbook.
